

THE NAMIB RAND DESERT TRAIL

5 days/4 nights

(from/to Windhoek)

The NamibRand Nature Reserve with an area of 160000 HA, represents all facets of the Namib Desert like vegetated red dunes in different shapes and colors, endless plains and rocky mountains. This trail shows the diversity of desert organism, wildlife adaptation and stunning scenery.

Min. / Max per group: 4-7 pax; Min. age: 12 years
