Swakopmund is a popular seaside resort with a laid back atmosphere. Enjoy the mixture of colonial flair and architecture (the historic town, the Woermannhouse, the Hohenzollernhouse, the old Magistrates Court, the historical Jail and of course the „Jetty“ and the lighthouse).

**Day 5 & 6)** Guests are free to choose from a variety of activities offered in the area: quad-biking, sand-boarding, ballooning, camel-rides, scenic-flights, boat-cruises or excursions into the surrounding Namib dunes. View ancient welwitschia plants, marvel at the eerie moon landscape, and enjoy the sights of flamingos and other birds in the Walvis Bay Lagoon during a boat-ride. Take a tour along the coast to Cape Cross (120 km). The Portuguese sailor, Diego Cao, was the first European to set foot in the 15<sup>th</sup> century in the former “South West Africa” and erected a cross here. Today this area is home to one of the largest fur seal -colonies in the world. Further north lies the Skeleton Coast National Park, where many ships and seafarers were stranded and ship-wrecks can best be sighted from the air during a sightseeing flight in a small plane.
